- 3 The BOCC will receive \$705,650 more in ad valorem taxes due an increase in millage rates and property values.

The BOCC has increased the County-Wide Millage Rate over the prior year by 0.2506. This increase is due to various factors including, but not limited to:

- Increase in Workers Compensation premiums
- Increase to Property Appraiser Budget
- Increase to Sheriff Office Budget
- Increase to County Jail Budget
- Increase to EMS Department Budget
- Pay and step increases in General Fund and Public Works

All Fire Districts are budgeted at .5000 mills, which is an increase in millage for the St. Joseph Fire District. This increase has been designated by the BOCC to help fund future communication needs.

- 4 The final budget of Gulf County has been adopted at \$48,177,422. Ad Valorem Taxes fund 22.39% of the total budget.
- 5 State and federal grant funds of \$10,788,659 are included in the budget.

- 6 Public Safety related expenditures total 17.87% (\$8,611,278) of the adopted budget. Included in this category are: Law Enforcement, Fire Control, Detention and Correction, Protective Inspections, Emergency and Disaster Relief, Ambulance and Rescue Services, and Medical Examiners. Approximately 15% of these expenditures are funded by user fees, with the remainder being funded by a combination of ad valorem taxes, state shared revenues, grants, court-related revenues, and cash carried forward.
- 7 Transportation related expenditures total 33.35% (\$16,067,785) of the adopted budget. Included in this category are: Road & Street Facilities and Other Transportation Systems/Services. Approximately 58% of these expenditures are grant funded and 31% are funded by the 2015 Series Bond proceeds. The remainder is being funded by a combination of ad valorem taxes, fuel taxes, state shared revenues, and cash carried forward.
- 8 Fund Presentation: A separate budget is shown for General Fund and Public Works for display purposes only. Public Works is part of the General Fund.

New Funds Established: New funds have been established and are presented in the 2015-2016 budget. (1) Fund 114 General Grants Fund was created to consolidate grant funding of various functions that have typically been included in the General Fund. This fund is intended to be 100% grant revenue funded and would not include any non-grant expenditures such as local matching. (2) Fund 119 BP & Restore Act Fund was created during the fourth quarter of 2014-2015 to record the activity of the unrestricted BP Settlement as well as the Restore Act funded grants.

Re-Established Funds: Fund 301 Capital Projects Fund has been re-established by the BOCC with the 2015-2016 budget. This fund is intended to move large capital expenditure and reserves out of the General and Public Works Fund.

TDC Fund Number: Fund 128 Tourist Development Council Fund has been re-numbered from Fund 600. Prior year activities will remain in Fund 600 and the fund will be closed out at the end of 2014-2015. Fund 128 will begin in 2015-2016 with the final balances of Fund 600 as its beginning balance.

- 9 "Cash to be carried forward for working capital" is necessary to finance the 2015-2016 budget until property tax distributions are received. The County normally receives its first distribution from the Tax Collector in the second half of November. The County would not be able to pay their employees and vendors timely without an adequate provision for working capital. Taxpayers are under no obligation to pay property taxes early.
- 10 Restricted reserves in the General Fund are primarily for the Landfill Escrow Account required by the State of Florida.
- 11 The Health Department budget includes private donations of \$23,461.
- 12 The County's revenues from 1st Local Option Fuel Tax, Constitutional Fuel Tax, and County Fuel Tax are pledged for payment of the 2015 Gas Tax Revenue Refunding Bonds through 2035. The 2015 Series Bond released the County from the \$1 million bond reserve required under the 2006 Series. These funds were transferred to General Fund and are included in the 2015-2016 budget as Cash Carried Forward and Reserves for Working Capital. The reserve requirements of the 2015 Series Bond have been fulfilled with the purchase of applicable bond insurance.
