**3** The BOCC, will receive \$822,621 more in ad valorem taxes due an increase in the countywide millage and an increase in property values.

The BOCC has increased the County-Wide Millage Rate over the prior year by 0.4328. This increase is due to various factors including, but not limited to:

- Reduction in cash carry forward balances from previous years
- Reduction in anticipated ambulance revenue
- Increase in Workers Compensation premiums
- State of Florida FRS Rate increase to the employer contributions
- Approved increase to the Economic Development Council Budget
- Transfer of employee salaries from grant funding to ad valorem funding

All Fire Districts are budgeted at .5000 mills except for the St. Joseph Fire District, budgeted at .4000 mills.

GULF COUNTY BOCC  
2014-2015 BUDGET NOTES

- 4 The final budget of Gulf County is proposed to be \$32,667,228. 30.87% of the total budget is funded with ad valorem taxes.
- 5 State and federal grant funds of \$706,242 are included in the budget.
- 6 The county expends 25.47% (\$8,319,253) of the total budget on public safety, its largest expenditure category. Included in this category are: Law Enforcement, Fire Control, Detention and Correction, Protective Inspections, Emergency and Disaster Relief, Ambulance and Rescue Services, and Medical Examiners. Approximately 11.09% of this budget is funded from fees, the remainder is funded with ad valorem taxes, other state shared revenues, grants, and fines.
- 7 Fund Presentation: A separate budget is shown for General Fund and Public Works for display purposes only. Public Works is part of the General Fund.
- 8 "Cash to be carried forward for working capital" is necessary to finance the 2014-2015 budget until property tax distributions are received. The County normally receives its first distribution from the Tax Collector in the second half of November. The County would not be able to pay their employees and vendors timely without an adequate provision for working capital. Taxpayers are under no obligation to pay property taxes early.
- 9 Restricted reserves in the General Fund are primarily for the Landfill Escrow Account required by the State of Florida.
- 10 The 2014-2015 budget has both departmental increases and decreases. Most of these are summarized on pages 10, 11, and 34 of the budget document. Also, Worker's Compensation Insurance has been moved out of each departmental budget into the "Insurance Department" budget.
- 11 The Health Department budget includes private donations of \$23,461.
- 12 The county fuel taxes are pledged for payment of the 2006 Gas Tax Revenue Refunding Bonds through 2032. The County has also been forced to fund a reserve of \$1 million. This was a result of a downgrade of the issuer of the surety bond as defined in the bond covenant.
- 13 All funds remaining in the CDBG Raffield's Fund were loaned to The Port Authority in 2010-2011. This note was modified in August 2014 to secure the note with the Arizona Chemical Site and provide additional funding of \$120,000 funded by the Industrial Park Fund. This modification includes the original note and accrued interest (\$217,452.67), plus \$60,000 funded at closing in August 2014, plus future funding of \$60,000 to be issued in August 2015 for a total Mortgage Note of \$337,452.67. The Note carries a 3% per annum interest rate and is due and payable on July 21, 2024, with annual payments of \$10,000.00 beginning August 21, 2017.
- 14 The Industrial Park building is under no lease agreement at the time, and has no approved tenants. The former tenant, Tifco Enterprises, terminated their lease during the 2013-2014 fiscal year due to economic reasons.
